

**BUCKINGHAM PALACE**

To: The Students in Class 5 at  
Szkoła Podstawowa Nr 236, Warsaw

---

The Queen wishes me to thank you very much for the lovely message and pictures you have sent.

Her Majesty thought it kind of you to tell her about yourselves, your school and its patron, Irena Sendler, and The Queen hopes you are all enjoying your new school year.

Although Her Majesty does not have time to reply personally to the hundreds of people who write to her each week, she was glad to hear from you and your teachers and greatly appreciated your good wishes.

I enclose a little information which you may like to have, and I am to thank you all once again for your thoughtful message and for your charming pictures of sunflowers.
